

# POST GRADUATE DIPLOMA IN CORPORATE SECURITY MANAGEMENT

EMPOWERING PRIVATE & CORPORATE SECURITY  
STUDIES THROUGH OUR SPECIALIZED COURSE ON  
CORPORATE SECURITY MANAGEMENT

# PROGRAM OVERVIEW

Welcome to the Post Graduate Diploma in Corporate Security Management, a pioneering collaboration between XLRI and Rashtriya Raksha University (RRU). This one-year, specialized program is crafted for ambitious individuals eager to make their mark in the evolving domain of corporate security management. Through a blend of theoretical knowledge and practical experience, the program prepares you to meet and navigate the complex challenges of today's corporate security environment. Embark on a unique educational journey with your 1st Semester at XLRI and your 2nd semester at RRU, offering a distinct experience at both institutions.

## XLRI COLLABORATION

Drawing upon XLRI's rich legacy in management education and RRU's cutting-edge expertise in security, this program offers a unique dual perspective that equips graduates with a comprehensive understanding of both management and security disciplines

# CORPORATE SECURITY LEADERSHIP

Experience a specialized blend of management and security with XLRI and RRU, offering dual expertise, immersive learning, and assured placements to prepare you for leadership in corporate security.

## SPECIALIZED FOCUS

Master corporate security and management to navigate global business challenges.

## DUAL EXPERTISE

Achieve dual expertise and a competitive edge in corporate security with XLRI and RRU.

## XLRI SEMESTER EXPERIENCE

Explore diverse management disciplines and research at XLRI for a comprehensive education.

## ASSURED PLACEMENT ASSISTANCE

Gain assured placements in corporate security with RRU's strong industry connections.

# CURRICULUM HIGHLIGHTS

## INTEGRATED LEARNING APPROACH

The curriculum is carefully designed to integrate the core principles of management with advanced security strategies, providing a holistic view of corporate security management. Subjects range from the fundamentals of securing physical and digital assets to the intricacies of legal frameworks and ethical considerations in security practices.

## EXPERT FACULTY

Learn from a distinguished faculty comprising renowned academics from XLRI and security experts from RRU, who bring a wealth of knowledge and real-world experience to the classroom.

## HANDS-ON EXPERIENCE

Through case studies, simulations, and project-based learning, students apply theoretical concepts to real-world scenarios, enhancing their problem-solving and decision-making skills.

## GLOBAL NETWORK AND PLACEMENT:

Upon completion of the program, graduates not only gain alumni status from both XLRI and RRU but also benefit from the schools' strong industry connections and dedicated placement assistance. This network opens doors to exciting career opportunities in corporate security management across various sectors.

## INDUSTRY INTERFACE

Engage with industry leaders and security professionals through guest lectures, workshops, and seminars that provide insights into the latest trends, challenges, and opportunities in the field of corporate security.

# SUBJECTS BY RRU
